## Claim Filing Requirements

(This page is for your assistance only, it does not need to be submitted to ASIFlex with your claims submission)

Go Paperless by enrolling for email notification and claims reimbursement via direct deposit! See details below.

### Claim Filing Guidelines Checklist:

- Clearly print your name, address, social security number (or EID as appropriate) and your employer's name
- List expenses and arrange the supporting documentation in the same order
- Enclose required documentation

#### IRS Documentation Requirements:

Each item claimed must be supported with proper documentation. The documentation must include each of the following five (5) essential pieces of information, otherwise your claim will not be processed. The following should be included with each piece of documentation submitted to ASIFlex with your completed claim form:

1. Name of the provider or merchant (medical or dependent care)
2. Name of the person, or persons receiving the service or care
3. Date or range of dates of service or care
4. Cost of the service, not just the amount paid
5. Description of the service or care

- ✓ Without a description of the service or care provided, your claim will be denied. **Credit card receipts, cancelled checks and billing statements without detailed service information are not substantial documentation and will not be accepted.** The description of the service or care can be as generic as "copay" or "office visit". If the description of the service is not listed on the receipt provided from your service or care provider, the provider may write the description on the receipt.

\*Please note if a receipt is not available for dependent/elder care expenses, you may have the care provider sign and date in place of a receipt.

- Sign** the claim form. (Claim forms that are not signed will not be accepted)
- Keep copies of each receipt and claim form for tax purposes (Dependent/Elder Care FSA participants must file IRS Form 2441 each year with tax return). Keep in mind that you will need the provider's tax ID or Social Security Number when you file your taxes.
- Submit completed claim form and supporting documentation to ASIFlex
